	Annual General Adjustment	Banked Rent Increase
Description	Each year, the rent may only be increased by the Annual General Adjustment (AGA), calculated at 70% of the percentage change in the Consumer Price Index.	Landlords who choose not to raise the rent for a full 12 months, or choose to raise the rent by less than the full AGA, may "bank" those amounts. These banked amounts may be carried over and added to a subsequent year's AGA, subject to several limitations. See form RP-203* for more information.
Rent Increase Limit	2.9% Effective September 1, 2023 – August 31, 2024	(AGA + 3.0%) = 5.9% Effective September 1, 2023 – August 31, 2024
Noticing Requirements	Must comply with state law.	Landlords must attach a copy of Form RP-203 to the rent increase notice.
City Filing Requirements	Not required but recommended to submit this form and/or update current rent in the Alameda Rent Registry.	Submit a copy of rent increase notice and Form RP-204 within three calendar days.

The following table on page 2 may be used to show the Annual General Adjustment of Rent:
